

## AUDIE'S OPEN SCHOLARSHIP FUND

### PURPOSE & GOALS

The Audie's Open Scholarship Fund was originally established in 1991 to assist students graduating from Mackinaw High School with the costs of going on to college. In 1998, an endowment fund was established with the Straits Area Community Fund, an affiliate of the Community Foundation for Northeast Michigan, to build assets in the fund so that eventually it would be able to sustain itself. To date, over \$147,000 has been invested in the Fund.
